Also, as a “Refresher Only” on Bed bathing: @ this resource: <https://youtu.be/kC8vqZuq-L4>

Thank You for All You Do!

Please continue to contact us if you are in need of PPE supplies.

Mask wearing is still required while working with our consumers.

Due to the recent spread of the Delta variant, we need to be extra careful to ensure everyone's health and safety.

Reminder

Please: Remember to Document Tasks in the Consumers Enrollment Binders.

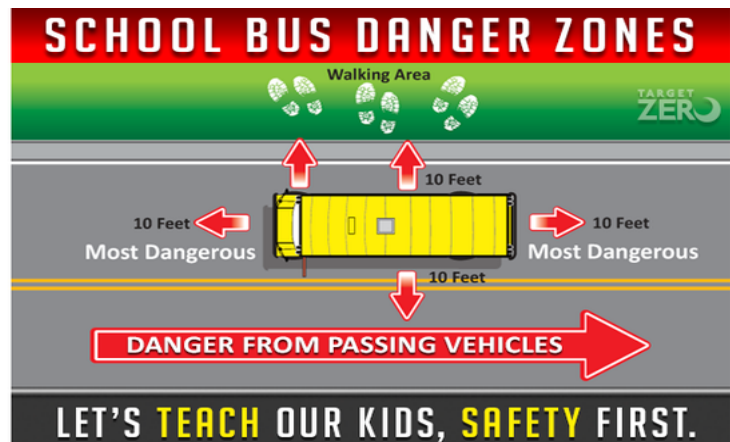

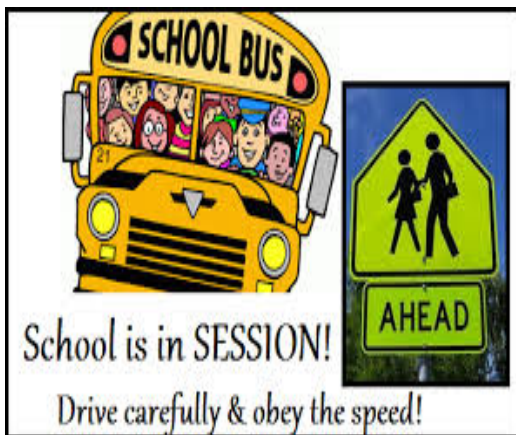

This is a requirement that needs completed on each participant with every visit regardless of simplicity or complexity. If the consumer is directing you **Not** to complete this directive, please contact your Staffing Supervisor. We will instruct them of the importance & provide replacement binders and/or extra lined paper. Notes should pertain to daily tasks and anything involving their safety and well being.

Thank You for your efforts on completing note documentation as a part of your daily routine.

And again Thank You for All you do!

SAFETY CORNER

Back to School Safety Tips:

Drivers: Remember 15 MPH in school zones, Slow Down there are more pedestrians & bicyclists about & Exercise Caution in areas without sidewalks. Days are becoming shorter of daylight with each coming day, be aware of your surroundings including migrating deer!
