Caregiver Spotlight

Our Spotlight Employees this Month will receive:

Tamaqua - Walmart Gift Card

Lancaster - GIANT Gift Card

TAMAQUA OFFICE Veronica Huegel

Veronica is the true definition of a care giver. Someone who goes out of their way to make sure all needs are taken care of for whomever they are with. She goes above and beyond, never complains and always finds a way. Is willing to help whenever called upon and never thinks twice. We are so very proud to have her with ILS for 14 years.

LANCASTER OFFICE Robin Hadley

She has shown the true definition of a reliable and dependable PCA she stood by a consumer knowing the living conditions were not the greatest & was the only to stay with the participant. On another case PCA was quick to press the Med Alert Button getting the EMS in the home promptly. Other consumers also comment how wonderful care she provides with her kind nature.

Resource for Active Shooter Preparedness:

ALICE is an acronym for Alert, Lockdown, Inform, Counter, and Evacuate.
