TAMAQUA OFFICE

Natasha Twigg

Natasha is dedicated to the participants she serves. Her schedule consists of 7 days a week with one consumer who currently has no one every other weekend. Natasha took the hours until we can hire someone to cover them. Natasha is professional and can go into any home and is accepted by them and their families. Natasha is willing to make changes to her schedule and always helps out with little notice.

LANCASTER OFFICE

Hiley Thompson

Hiley is a breath of fresh air! Several participants & their families have nothing but praises for Hiley. One in particular stated they were resistant to accept help due to the family member's dementia, afraid this would cause introducing something new and causing more confusion. Hiley has a way with her calming demeanor that the participant is so cooperative & willing to engage in the care needs now.
